## **Winterdown House**

It has been a pleasure working with a company who prides its self on the highest standard of Quality, and Customer Service.

Prism have been very flexible in what ever we have asked, even when some requests have been non-standard and out of sequence.

No request is a problem and is executed with the minimum of fuss, from the initial tenders to the completed project the journey has been excellent.

We are looking forward to our future projects with Prism,

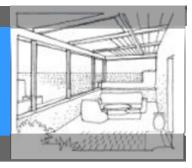

Regards

Lee Bond
